**Suggestions by Academic Expert on
Institute Vision and Mission statements**

Sir/Madam,

In our college we are planning to implement Outcome Based Education. In this regard, we are re-articulating the statements of Vision and Mission of the Institution. Hence your valuable suggestions and feedback on the below statements are required to improvise them. Hence we request you to kindly give us your suggestions and feedback.

Name of the Academic Expert : V. Suneel Reddy
Designation : HOD of ECE
Name of the University/College : R.S.R. Engineering college, Kavali

Mission and Vision of the Institution

VISION

“To provide the society with a center of learning that motivates, supports and encourages the youth to evolve into dynamic professionals with a social commitment.”

MISSION

- Achieving self sufficiency on all fronts to ensure qualitative Teaching - learning practices.
- Providing Quality Education, student-centered teaching-learning processes and state-of-art infrastructure for professional aspirants hailing from both rural and urban areas.
- Imparting technical education that encourages independent thinking, develops strong domain knowledge, hone contemporary skills and positive attitudes towards holistic growth of young minds.
- Evolving this Organization into a Center of Academic and Research Excellence

Remarks / Suggestions:

mission-4 is like vision statement. It can be changed as
to provide high quality education with academic and
research excellence with ethical values.
