### **About PBR VITS:**

PBR Visvodaya Institute of Technology and Science (PBR VITS), sponsored by VISVODAYA Society, Kavali founded by Dr.Dodla Ramachandra Reddy in 1998. The institute is located in 26 acre land adjacent to railway station, Kavali, SPSR Nellore Dt, A.P.

The institution is approved by AICTE and accredited by NAAC with A Grade. The institution offers B. Tech courses in Mechanical Engg. Electrical & Electronics Engg., Electronics & Communication Engg., Computer Science & Engg. CSE-IOT and CSE-AI. The institution also offers M.Tech courses in Machine Design, Power Electronics, VLSI-Design, DSCE, and MBA.

The Library has about 40,000 volumes, more than 100 National and International journals, e-journals and NPTEL learning material and video courses. Digital library access to students round the clock.

The institute has well maintained separate hostels with modern amenities for both boys and girls, with 1000 capacity each. The institute has good sports facilities. The institute has been providing campus recruitment for the students in companies of high repute such as TCS, Tech Mahindra, KPIT Cummins. 9 UGC R&D Projects are ongoing.

### **WHAT IS RESEARCH METHODOLOGY?**

Research methodology is the specific procedures or techniques used to identify, select, process, and analyze information about a topic. In a research paper, the methodology section allows the reader to critically evaluate a study's overall validity and reliability.

Types of research methods include the following:  
Basic research: A basic research definition is data collected to enhance knowledge. ... Applied research: Applied research focuses on analyzing and solving real-life problems. This type refers to the study that helps solve practical problems using scientific methods.

### **Theme of the workshop:**

In the present scenario, where rapid advancements are taking place in every field of science and technology, a thorough understanding of research methodology has become essential to teachers and research scholars to pursue further innovations in their respective fields of specialization. Thus, it is strongly believed that, research and development having become an essential component, not only in academic institutions but in industries as well, a Workshop on research methodology would be valuable.

### **Target Audience**

Faculties, Industry personnel, Scientists, Research scholars who are into research and want to know more about IPRs, Patents, Commercialization of technologies, Technology transfer procedures, Startup and Entrepreneurship eco system.

### **Topics to be covered in workshop**

- 1.Awareness of thrust areas, fertile for identifying a research problem, that will lead to further productive outcomes, further stages of research
- 2.Literature review, concerned data collection, mathematical propositions, simulation studies.
- 3.Use of relevant software tools, adoption of appropriate algorithms
- 4.Experimentation or statistical analysis and other appropriate illustrative components
- 5.Presenting the overall methodology and conclusions convincingly
- 6.Report writing, elaborating the overall sequence adopted and the conclusions

Venue: PBR VITS

Date(s) & Time: 10-03-2022 to 12-03-2022 (10.00 AM to 4 PM)

The workshop commenced with welcoming the gathering by Dr. D.Srujan Chandra Reddy, Convener, narrated the objectives of the workshop. Totally 29 participants are participated in the programme.

In the starting session the Resource person given the explanation about importance of Research Methodologies in Academics and IT Industry. Subsequently explained how to identify a research problem, that will lead to further productive outcomes, stages of Research, Literature review, concerned data collection and mathematical propositions.

Further demonstrated the Use of relevant software tools, adoption of appropriate algorithms, Experimentation, statistical analysis and other appropriate illustrative components.

Finally discussed the Report writing, elaborating the overall sequence adopted and the conclusions. In the Querying session the participants interacted with Resource Person.

To: rgniipm.ipo@nic.in, pborkar.ipo@nic.in, umesh.bhosale@nic.in

Respected Sir/Madam,

We are pleased to inform you that we are planning to conduct a workshop on "**IPR- Patents & Designs**" in our college, which will be useful for our faculty members, research scholars and students to upgrade their IP skills. We were in search of experts concerned for the same, and we perceived that you are better equipped to conduct the same. The expected number for participants is around **200**.

The proposed dates for the conduction of the program are **8<sup>th</sup> /15<sup>th</sup> /22<sup>nd</sup>** of December, 2021

So, we request you to kindly give your support to conduct the program, and please specify your convenient dates. The request letter is attached herewith this mail. Thank you in anticipation of a favorable reply.

Thanks &amp; Regards

Mr. A. Suman Kumar Reddy,

Associate Professor,

Department of ECE,

PBR VITS, Kavali

Mobile No: 80194 71071
