7.1.5. Green campus initiatives include:

1. Restricted entry of automobiles.
2. Use of Bicycles/ Battery powered vehicles.
3. Pedestrian Friendly pathways.
4. Ban on use of Plastic.
5. landscaping with trees and plants.

To support and build healthy environment it becomes necessary to adopt green practices. Being a leading institution of Technical Education, Institute initiates the Green Campus activity which will support sustainable environmental development. 'The Green Campus' practice actively promote the various programs for the environment protection and sustainability such as, use of bicycles, public transport, and pedestrian friendly roads, promotes plastic free campus, paperless office, green landscaping with tree and plants.

Students and staff using bicycles, public transport and pedestrian friendly roads. The college is located in the Kavali town and has the bus stop very close by due to which many students commute to the campus using public transportation. Students and staff residing in the nearby areas commute to the college by walk. Some of the staff and students make use bicycles and pedestrian friendly roads to reach the institute and avoiding their personal vehicles. Most of faculty members who are residing at same location, are pooled their vehicles to reach institute to saves fuel.

Plastic-free campus: To avoid use of plastic staff and students use non-plastic items in the institute campus like institute canteen, store, office etc. Our College took an initiation to reduce the plastic bags usage in the campus; in this process college has prevented usage of plastic bags in college canteen and in college premises. Plastic is banned on campus and the same is prominently displayed on all notice boards and corridors. Awareness posters and pamphlets are displayed in prime locations of the campus. College discourages use of plastic by conducting awareness programs to staff and students.

Paperless office: To encourage paperless office work notices and Circulars by Principal and admin offices are conveyed to all by emails and SMS's. Encourages Internal communication in the campus is through e-mail or emessages. MOODLE and other interfaces are used for the student academic submissions. Green landscaping with trees and plants Institute has a canopy of trees and plants that develop healthy environment to safeguard the health of all the inmates. The green belt (40% of total area) has green lawns and trees (maintains biodiversity) which provide shade and beautiful ambience. Institute NSS unit regularly carried out Tree plantation activity.
