Facilities required for Conduction of the event: Class Room, and Audio System

Facilities Provided by the Organizers: Class Room, and Audio System

Event Coordinator Comments on Timings and no. of venues allotted for the event:

Good and one venue.

Suggestions by the Coordinators for further improvements:

Juke Box more noise. It is more disturbances to conduct the Anthyakshari. Events should conduct separate timings in next time, because each student registered in multiple events. The events conducted at a time. They loosed some events.

Event Coordinator Comments/ feedback: Good.
