

Report on WORLD PHOTOGRAPHY DAY

Department	: CSE
Event	: World Photography Day
Date	: August 23, 2024
Time	: 3:00 P.M. To 4:20 P.M
Event Venue	: Cotton Block, Ground Floor

Objective: To celebrate World Photography Day by hosting a photography exhibition and competition, recognizing the art, science, and history of photography, and honoring the creativity and innovation of photographers.

Event Description: World Photography Day is an annual celebration that aims to promote the art of photography and appreciate the efforts of photographers around the world. The day is observed on August 19th to commemorate the invention of the daguerreotype process by Joseph Nicéphore Niépce and Louis Daguerre in 1839.

In recent years, World Photography Day has also become an opportunity to raise awareness about the importance of visual storytelling and the impact of photography on society. It's a day to recognize the contributions of photographers who use their cameras to document social and environmental issues, promote cultural understanding, and inspire change. Overall, World Photography Day is a celebration of the art, science, and beauty of photography, and the incredible ways it enriches our lives. Although World Photography Day is on August 19, we celebrated it on August 23.

Renowned professional photographer, P. Srinivasa Rao, from Kavali, with over three decades of experience, was esteemed to serve as a judge for the event. Following a thorough evaluation of the entries, he deliberated and announced his decisions for the 1st, 2nd, and 3rd prize winners.

Additionally, the Head of the Department proposed the introduction of a Popular Choice Award, determined by visitor votes cast during the photography exhibition held on the ground floor of the Cotton Block from 3:00 PM to 4:20 PM. Visitors were provided with voting slips to rate their preferred photographs and indicate their top three choices, which were then deposited into a designated voting box.

Event Highlights:

- Renowned professional photographer P. Srinivasa Rao from Kavali, with over three decades of experience, served as the judge for the photography competition.
- A total of 53 students registered and 34 photographs was submitted for the competition, showcasing diverse themes and techniques.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

- The exhibition was open to visitors from 3:00 PM to 4:20 PM, who cast their votes for the Popular Choice Award.
- The Head of the Department introduced the Popular Choice Award, which was determined by visitor votes.
- Winners of the 1st, 2nd, and 3rd prizes were announced, along with the Popular Choice Award winner.

WINNERS LIST

S.NO	NAME OF THE STUDENT	ROLL NO	YEAR	PLACE
1	L. JAYA SANKAR	21731A0596	IV CSE	FIRST
2	SHAIK. EJAS AHMAD	21731A0451	IV ECE	SECOND
3	B. PRANAY	2373A05225	II-CSE	THIRD
4	G. SAI AKHIL JASWANTH	2273A05093	III-CSE	POPULAR CHOICE

Event Outcome:

- The event successfully celebrated World Photography Day, promoting the art and science of photography among visitors.
- The competition encouraged photographers to showcase their creativity and innovation.
- The Popular Choice Award engaged visitors and encouraged them to participate in the event.

Recommendations & Feedback analysis:

- Continue to host similar events to promote photography and encourage photographers.
- Invite more professionals to judge and share their expertise.
- Consider displaying the winning photographs in a permanent exhibition.

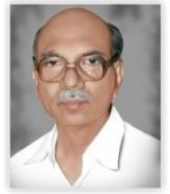

Conclusion:

The World Photography Day celebration was a resounding success, achieving its objective of promoting photography and recognizing the creativity and innovation of photographers. We look forward to hosting similar events in the future.
