Chairman's Message

Principal's Message

Education system should be reformed such that the students should feel joy in studying and pursuing their degree. It should not be activities of building stress rather education should be solution to eradicate stress in one's life. We, at our institute are continuously endeavoring to make students involved in their academic activities by introducing innovate pedagogic methodologies. Students are encouraged to carry out mini projects to obtain hands on experience and there by enhance their creative skill which is in dormant state. Through guest lectures and workshop by experts in the respective field are frequently conducted to ignite the young minds and hearts so as to help them to enrich themselves to the latest technologies and to develop relation with these experts for future guidance. When these practices are consistent, we believe that the students will find their passion and goal of his life. When passion is identified and goals are fixed then everything the students does is joy then there is no place for stress. Let us all join our hands in creating such an ambiance and make VITS a place of joyfully enhancing and enriching the knowledge.

Every child is born with equal intelligence and capable enough to achieve the top position in the society by acquiring the best education. We are liable to make every child as the best accomplished person. VITS is known for well qualified, experienced and dedicated teaching fraternity, State of the art world class laboratories at affordable fees structure for all sections of students in the society. We are having Boys Hostel, Girls Hostel, excellent Sports ground, Canteen and Hospital facility for students. Student friendly and disciplined atmosphere will make the students to gain their knowledge effectively and efficiently.

VISION

MISSION

- ✓ To be a premier institute for professional education producing dynamic and vibrant force of technocrats with competent skills, innovative ideas and leadership qualities to serve the society with ethical and benevolent approach.

- ✓ To Create a learning environment with art infrastructure, well equipped research facilities and qualified seniors impart high quality technical education
- ✓ To Facilitate the learners to inculcate research skills and innovative ideas Institute Interaction.
- ✓ To Develop hard work, honesty, leadership and sense of direction in rural youth value based education.

INSTITUTE WISE EVENTS

TEACHER'S DAY

The Students of VITS Institute of Technology made a splendid celebration on the eve of the birth anniversary of Dr. Sarvaepalli. Radhakrishnan on 05-09-2019. The occasion was celebrated as Teacher's Day with due regards and respects and recall the greatness of Great Teachers like Swami Vivekananda, Dr. S. Radhakrishnan and others. As usual, the faculty members participated in the competitions conducted by the students. The main objective of this celebration is to develop an integral and cordial intimacy between the teachers and students

ENGINEER'S DAY

Visvodaya Institute of Technology celebrated Engineer's Day on 15-09-2019. The celebration is grandeur. It is to memorize and recollect the birth anniversary of Dr. Mokshaundam Viswesvaraya, Civil Engineer. Students came to know the greatness of Visvesvaraya who stood for determination, patience, courage and commitment. They understood the significance of the occasion. They utilized the opportunity to share their views and opinions on the importance of the day. It was an awareness program to all.

INDEPENDENCE DAY

Independence Day Celebrations is a grandeur in VISVODAYA Institute of Technology every year. Honourable Chairman, D. Vidhyadhar Kumar Reddy, Principal, Dr. B.Konda Reddy, Deans, HoDs, Faculty and Students attended the celebrations. Principal

DEPARTMENT OF COMPUTER SCIENCE ENGINEERING

WORKSHOP

1. A 5 days work shop on "WEB TECHNOLOGIES" for III B.Tech students have been conducted from 15-June-2019 To 19-June-2019 by Take off Edu Group, Tirupati. 54 students has participated in the work shop.

2. A 3 days work shop on "Digital Marketing with Artificial Intelligence" for III and IV B.Tech students have been conducted from 28-Aug-2019 to 30-Aug-2019 by J. Amarnath, CEO, Quanint Tech soft,Hyd. has participated.

3. A 6 days work shop on "Python basics & Advanced" for II year students have been conducted from 09-12-2019 to 14-12-2019 in co-ordination with "Andhra Pradesh State Skill Development Corporation

4. A 4 days work shop on "Mobile Application Development" for III year students have been conducted from 01-02-2020 to 02-02-2020 (Phase - I) & from 08-02-2020 to 09-02-2020 (Phase - II) in co-ordination with "Kethan, Corporate Trainer". 18 students has participated in the work shop.

5. A 5 days work shop on "IOT using Raspberry Pi" for III year students have been conducted from 03-01-2020 to 05-01-2020 (Phase I) & 25-01-2020 to 26-01-2020 (Phase II) in co-ordination with "takeoff edu group".

Projects Expo (YUVA Program)

A Project expo has been conducted for IoT Projects on August 14, 2019 afternoon. The program has been covered in YUVA by ETV2. 60 students from
