

LIST OF CONFERENCES PUBLISHED BY FACULTY

S. No	Faculty Name	Title of the Paper	Conference Name	National / International	Year	ISBN Number
1	Mrs A Nagamalli	Design Of Autonomous Irrigation Monitoring System with Cloud Based Architecture	ICAESCT	International	2022	978-93-5680-349-7
2	Mrs A Nagamalli	A non-invasive detection of alcoholic liver disease through MEMs metal oxide semiconductor zinc stannous nano composite bio gas sensor	ICAESCT	International	2022	978-93-5680-349-7
3	Dr. V. Prakasam	Design and Analysis of 1×6 Circular Micro-strip Patch Antenna Arrays for 2.4 GHz Wireless Communication Application	NCICT	International	2023	978-93-5777-455-0
4	Dr. N. Satheesh Kumar	Design and analysis of micro level electrostatically activated cantilever and metal contact-based series RF MEMS switch for multiband applications	NCICT	International	2023	978-93-5777-455-0
5	Dr. Mohammad Hayath Rajvee	Design and analysis of micro level electrostatically activated cantilever and metal contact-based series RF MEMS switch for multiband applications	NCICT	International	2023	978-93-5777-455-0
6	Dr. M. Venkatesan	Investigation on filter bank-based spectrum sensing and multicarrier systems for cognitive radio networks	NCICT	International	2023	978-93-5777-455-0
7	Dr. V. Prakasam	Design and Analysis of 1×6 Circular Micro-strip Patch Antenna Arrays for 2.4 GHz Wireless Communication Application	NCICT	International	2023	978-93-5777-455-0

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

8	Dr V Prakasam	Design and Analysis of Rectangular Microstrip Patch Antenna for 2.4 GHz Wireless Communication Applications Using CST Microwave Studio	CNICT	International	2021	978-981-15-9647-6
9	Dr N Satheesh Kumar	Performance Analysis of Various Image Segmentation Methods	ICIEECT-21	International	2021	978-93-5473-424-3
10	Dr. Mohammad Hayath Rajvee	A fused LBP texture descriptor-based image retrieval system	Micro-Electronics, Electromagnetics and Telecommunications	International	2022	
11	Mrs A Nagamalli	Design Of Autonomous Irrigation Monitoring System with Cloud Based Architecture	ICAESCT 2022	International	2022	978-93-5680-349-7
12	Mrs A Nagamalli	A non-invasive detection of alcoholic liver disease through MEMs metal oxide semiconductor zinc stannous nano composite bio gas sensor	ICAESCT 2022	International	2022	978-93-5680-349-7
