DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Guest Lecture - REPORT

DEPARTMENT	: ECE
EVENT	: Guest Lecture
PARTICIPANTS	: III B. Tech IETE members
TITLE OF PROGRAMME	: Career in Embedded domain and its requirements
RESOURCE PERSON	: Mohammad Rafi Shaik, Senior Design Engineer, Toyota tsusho Nexty Electronics, Bangalore.
DATE	: 23-01-2021
TIME	: 10:30 A.M. to 12:30 P.M
NAME OF COORDINATOR	: A.Venka Reddy, Asst Professor, Department of ECE.

OBJECTIVES:

- To create awareness on Role of Engineer for society.

REPORT:

The guest lecture was organized by the department of ECE on “**Career in Embedded domain and its requirements**”. In this program 29 students and 03 faculty members were attended. **Mohammad Rafi Shaik** has delivered a talk on various opportunities in the field of Embedded systems and the skill set requirements that the companies are looking at.

OUTCOMES:

Students were able to

- Know the companies and the packages they offer.
- What are the concepts/courses they should learn for a good job.
- Can plan their higher studies in the field.

DESCRIPTION OF THE EVENT:

Resource person Mr. Mohammad Rafi Shaik started Guest Lecture by introducing himself and explain Importance of engineers for society. He continued his guest lecture by telling importance of microprocessor, micro controllers and their programming. He also motivated the students various companies offering attractive packages. Further, he motivated the students to go for higher studies in the Embedded specialization.

FEEDBACK / SUGGESTIONS:

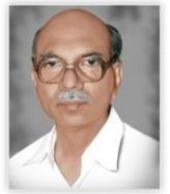

1. It was a thought provoking session.

By attending the Guest lecture, we got to know how we can settle in our core field and master our own life.
